

Natural Floorcoverings

Natural Floorcoverings - Simple, beautiful and inherently strong, natural floorcoverings look spectacular whether you are planning a svelte, modern interior or furnishing a rustic country cottage. The natural floorcovering range includes seagrass, coir, sisal, jute, paper and wool. Using the natural characteristics of each fibre to a full and beautiful effect, these floorcoverings are an inspiration in any interior, whether fitted to all four corners of a room or made into a bespoke rug. Visit the Crucial Trading website to see the full ranges available.
